

The Table

(Three questions concerning the Rambam's conception of the Table remain unclear to the author. Hence, one cannot rely on the accuracy of the drawing regarding them. They are:

- 1 - Did the side-frames extend below the surface of the Table or not?
 - 2 - At what point did the side-frames fork?
 - 3 - Did the rods face upward or downward?
- May the Temple be rebuilt in the near future and then, we will be able to understand the Rambam's intent.

- A - The Surface of the Table
- B - The Showbread
- C - Pieces of Dough Placed at the Sides of the Bread as Support
- D - The Sideframes
- E - The Rods
- F - The Incense Bowls
